17	Original	15
18	Original	15
19	New	Independent

CLAIM	STATUS	DEPENDENCY
20	New	19
21	New	Independent

Comments of Examiner Thor S. CAMPBELL have been reviewed carefully along with pertinent sections of the Patent Act, Patent Rules, the Manual of Patent Examining Procedure, legal treatises and relevant decisional law. In accordance with Examiner CAMPBELL's requirements, favorable reconsideration of the Application, as amended, is solicited earnestly.

The Examiner has stated Claims 5 - 11 and 14 - 18 would be allowable if rewritten in independent form and to include all of the limitations of the base claim and any intervening claims.

Accordingly Claim 5 has been cancelled and the subject matter of Claim 5 is presented as new Claim 19. No new matter has been added. New Claim 19 is believed to be patentable.

Claims 6, 10 and 15 have been amended to depend from new Claim 19.

Claim 14 has been rewritten and the subject matter of Claim 14 is presented as new Claim 20. No new matter has been added. New Claim 20 is believed to be patentable.

Reconsideration is respectfully requested for the subject matter of Claim 4. Claim 4 has been cancelled and the subject matter of Claim 4 including the limitation of the base claim has been presented as new Claim 21. No new matter has been added.

Claim 4 specifies a switch which is attached to the container to prevent overheating.

Examination of the Davis patent does not reveal the use of a switch of any kind. This switch has been described in line 10, on sheet 8 of the Specification and has been shown in Figs. 2 and 3.

The status of the Claims is as follows:

- Claims 1 - 5 and 12 - 14 have been cancelled.
- Claims 6, 10 and 15 are currently amended.
- Claims 7 - 9, 11 and 16 - 18 are original.
- Claims 19 - 21 are new.

In view of the foregoing amendments, submissions and explanations, it is believed that Claims 6 - 11 and 15 - 21 are in condition for allowance. An early Notice of Allowance on the Application will be appreciated. A Substitute Power of Attorney is enclosed herewith.

Courtesy, cooperation and skill of Examiner Thor S. CAMPBELL are appreciated

and acknowledged.

Respectfully,

BY: Charles E. Baxley
